

Abridged Curriculum Vitae of

Md. Mohidul Hasan, PhD.

PROFESSOR

Department of Plant Pathology

Hajee Mohammad Danesh Science and Technology University (HSTU),
Dinajpur-5200, Bangladesh

[Orcid ID: 0000-0001-7665-237X](https://orcid.org/0000-0001-7665-237X); Web of Science Researcher ID: [AAV-6668-2020](https://www.researcherid.com/AAV-6668-2020)

Date of Birth : December 31, 1979, Bangladesh

MOBILE #: +8801718545630

E-MAIL : mhasan@hstu.ac.bd

RESEARCH INTEREST:

Plant-microbe interaction; Eco-friendly management of crop diseases; Development of bio-pesticide and/or bio-fertilizer

RESEARCH PROFILE LINKS :

Google SCHOLAR : <https://scholar.google.com/citations?user=MItsSq0AAAAJ&hl=en>

Research Gate : <https://www.researchgate.net/profile/Dr-Mohidul-Hasan>

Publon : <https://publons.com/researcher/3231336/mohidul-hasan/>

ACADEMIC HISTORY:

PhD in Science in Biotechnology (2014)

Department of Biotechnology, Yeungnam University, Republic of Korea

PhD Dissertation Title: "Production of Beneficial Plant Secondary Metabolites by Metabolic Engineering"

Advisor: Prof. Dr. Kwang Hyun Baek

Committee: Prof. Dr. Han Hong Bae, Prof. Dr. Sang Hee Shim, Prof. Dr. Hae-Keun Yun,

Prof. Dr. Eun-Jung Kwak.

MS in Plant Pathology (2004)

Bangladesh Agricultural University, Mymensingh, Bangladesh

Dissertation Title: "Bio-control of Root-Knot (*Meloidogyne javanica*) of Mungbean with BAU-Biofungicide and BINA Biofertilizer"

Advisor: Prof. Dr. Muyeenuddin Ahmad

Result: CGPA 3.875 (out of 4.0)

B.Sc. Ag. (Hons.), (2000)

Bangladesh Agricultural University, Mymensingh, Bangladesh

Result: First Class

Position: Twelfth (out of 431)

TEACHING AND RESEARCH EXPERIENCES

Professor : May 14, 2017 to till date, HSTU, Bangladesh

Associate Professor : May 15, 2013 to May 14, 2017, HSTU, Bangladesh

International Research

Professor

: September 1, 2016 to August 30, 2017 Department of Biotechnology, Yeungnam University, Korea.

PhD Research Fellow

: September 1, 2016 to February 2014

Assistant Professor : January 16, 2008 to May 14, 2013, HSTU, Bangladesh

Lecturer : May 15, 2005 to January 15, 2008, HSTU, Bangladesh

TOTAL IMPACT FACTOR (IF)

41.163 (Published paper in Thompson Reuters listed journal)

PUBLICATIONS (SCI/SCIE/Scopus/J-Gate/CAB etc. Indexed Journals (*Corresponding author):

1. Qulsum, M.U., Islam, M.M., Chowdhury. M.E.K., Hossain, S.M.M. and Hasan, M.M*. August 2023. Management of bacterial wilt (*Ralstonia solanacearum*) of brinjal using *Bacillus cereus*, *Trichoderma harzianum* and *Calotropis gigantea* consortia in Bangladesh. *Egyptian Journal of Biological Pest Control*. 33: 74. (IF: 2.3)
2. Habib, M.A., Islam, M.M., Islam, M.M., **Hasan, M.M***, and Baek, K.-H. April, 2023. Current Status and De Novo Synthesis of Anti-Tumor Alkaloids in *Nicotiana*. *Metabolites*. 13, 623.
3. Habib, M.A., Islam, MM., Islam, ATMS., Hassan, SME., and **Hasan, MM***. March 2022. *In vitro* and *in vivo* efficacy of some chemicals against common scab (*Streptomyces scabies*) of potato. **Archives of Phytopathology and Plant Protection**. 55 (7): 886-899. (IF: 0.735).
4. Islam, M.M., Islam, A.T.M.S*, **Hasan, M.M***, Rashid, M.M. and Hossain, S.M.M. March, 2022. Potentiality of native *Trichoderma harzianum* in controlling damping off and foot rot of chilli and its viability in different storage conditions. **Pakistan Journal of Agricultural Sciences**. 59(1): 29-34. (IF: 0.748).
5. Islam, M.M., Zafor MA., Chowdhury, M.E.K., Islam, ATMS., and **HASAN, M.M***, April 2021. Biological control of damping off and foot rot of chilli using an indigenous *Trichoderma harzianum*. **East African Scholars Journal of Agriculture and Life Sciences**. 4(4): 101-105.
6. Bashir, T., Mishra, R.C., **Hasan, M.M.**, Mohanta, T.K. and Bae, H. November 2018. Effect of hybridization on somatic mutations and genomic rearrangements in plants. **International Journal of Molecular Sciences**. 19: 3758. (IF: 5.542).
7. **Hasan MM.**, Dhakal R. and Baek KH. **September, 2017**. Accumulation of taxadiene by root culture of *Nicotiana benthamiana* domin transformed with taxadiene synthase. **Bangladesh Journal of Botany**. 46(3): 899-905. (IF: 0.308).

ATTENDED IN INTERNATIONAL CONFERENCES:

1. 5th international conference on "Food safety and health". Organized by Bangladesh Society for Safe Food. Held on February 18, 2023, Bangladesh Agricultural Research Council, Farmgate, Dhaka
2. The 9th China-Japan-Korea-USA Joint Symposium on "International Conference on Sustainable Agriculture and Biotechnology 2017". Held in May 16-21, 2017, College of Life and Applied Sciences, Yeungnam University, Korea
3. 10th International congress on "Plant Molecular Biology". Organized by Korean Society for Applied Biological Chemistry. Held in October 21-26, 2012, ICC Jeju, Korea.
4. International symposium & annual meeting of the KSAB. Organized by the Korean Society for Applied Biological Chemistry. Held in October 20-22, 2011, ICC Jeju, Korea.

5. General meeting of the Korean society of plant pathology. Held during April 21-23, 2011. Organized by the Korean Society of Plant Pathology. Kyeungpuk National University, Korea.
6. Fifth International Botanical Conference. Held during December 9-11, 2011. Organized by Bangladesh Botanical Society, Dhaka University, Bangladesh.

RESEARCH PROJECTED CONDUCTED:

1. Working as a Principal Investigator on "Up-scaling the formulation of bio-fungicide and bio-fertilizer to increase vegetable yield" From 2022-2025. Funded by Bangladesh Bureau of Educational Information & Statistics (BANBEIS), Ministry of Education, Government of the People's Republic of Bangladesh
2. Working as a Principal Investigator on "Development of bio-fungicide using beneficial bacteria" a collaborative project. From 2022-2024. Funded by: IRT, HSTU, through UGC, Govt. of Bangladesh
3. Worked as a Principal Investigator on "Molecular identification of beneficial bacteria showing antibacterial efficacy against *Ralstonia solanacearum* responsible for wilt disease of brinjal" Funded by: IRT, HSTU, through UGC, Govt. of Bangladesh. From 2021-2021.
4. Worked as a Principal Investigator on "Identification of native *Trichoderma* sp. to screen against different soil borne fungi including *Sclerotinia sclerotiorum*" Funded by: IRT, HSTU, through UGC, Govt. of Bangladesh. From 2020-2021.
5. Worked as a Principal Investigator on "Production of bacterial bio-pesticide for the management of nursery diseases of chilli". Funded by: University Grant Commission (UGC), Govt. of Bangladesh. From 2019-2020.
6. Worked as a Principal Investigator on "Development of an eco-friendly management practice for bacterial wilt (*Ralstonia solanacearum*) of brinjal with formulated bacteria and medicinal plant extracts". Funded by Ministry of Science and Technology, Govt. of Bangladesh. From 2019-2020.
7. Worked as a Principal Investigator on "Isolation and characterization of beneficial bacteria from soil for the biological control of bacterial wilt of brinjal". Funded by: IRT, HSTU, through UGC, Govt. of Bangladesh. From 2019-2020.
8. Worked as a Principal Investigator on "Biochemical characterization of *Xanthomonas oryzae* pv. *oryzae* isolated from bacterial leaf blight disease of rice" Funded by: IRT (5921), HSTU, through UGC, Govt. of Bangladesh. From 2018-2019.
9. Worked as a Principal Investigator on "Antibacterial Efficacy of neem (*Azadirachta indica*) and lime (*Citrus limon*) leaf extracts against *Xanthomonas oryzae* pv. *oryzae*". Funded by: IRT (4829), HSTU, through UGC, Govt. of Bangladesh. From 2018-2019.
10. Worked as a Principal Investigator on "Biochemical characterization of *Erwinia carotovora* isolated from soft-rot disease of potato" Funded by: IRT, HSTU through UGC (5921), Govt. of Bangladesh. From 2017-2018.
11. Worked as a Principal Investigator on "Evaluation of antibacterial efficacy of ata and bael leaf extracts against *Erwinia carotovora*". Funded by: IRT, HSTU through UGC (4829), Govt. of Bangladesh. From 2017-2018.

TRAINING AND OTHER EXPERIENCES:

Participated a week long Training Workshop on "Plant Diseases Diagnostic" organized by BAU, Mymensingh and USDA.

INVOLVEMENT IN THE PROFESSIONAL SOCIETIES

12. Worked as a Principal Investigator on "Comparative Studies on the antimicrobial effect of ata (*Annona squamosa*) and turmeric (*Curcuma longa*) leaf against *Ralstonia Solanacearum*". Funded by: Institute of Research and Training (IRT), HSTU, through UGC, Govt. of Bangladesh. From 2015-2016.
 13. Worked as a Principal Investigator on "Evaluation of some plant extracts against *Ralstonia solanacearum*", Funded by: Ministry of Science and Technology, Government of Bangladesh. From 2015-2016.
 14. Worked as a Principal Investigator on "Evaluation of antibacterial efficacy of akanda (*Calotropis gigantea* L.) and castor (*Ricinus communis*)". Funded by: Institute of Research and Training (IRT), HSTU, through UGC, Govt. of Bangladesh. From 2014-2015.
1. Member of editorial board of "Frontiers in Microbiology"
 2. Member of editorial board of "Universal Journal of Agricultural Research"
 3. Member of Bangladesh Krishibeed Institution (KIB)
 4. Life member of "Bangladesh Phytopathological Society"
 5. Life member of "Bangladesh Society for Safe Food"
 - Life member of "Ecological Society of Bangladesh"
